Re: Naotech/Zoom/Tel Hai

You don't often get email from danielle.menashy@zoom.us. [Learn why this is important](#)

Hey Yaniv,
I hope that you are well. Following our call here is what I can confirm:

Legacy Education plans are no longer available for customers to purchase. New education plans with enhanced features have been released.

Therefore if you decide to cancel Tel Hai's subscription with Naotech you will not be able to repurchase the legacy Education Site license plan (because it's not available). Auto renewing your subscription with Naotech is the only way to keep the same plan for another year.

Let me know if this helps and if you have any questions.
Thanks in advance,
Danielle
