הנחיות להגשת הצעות משותפות למענקי BSF-NSF

שלום רב,

לאחרונה נתקלנו במספר בעיות טכניות שהיו לחוקרים בהגשות ל NSF. הבעיות היו קשורות לשינוי במערכת ההגשה בארה"ב במיוחד בעניין ההגדרה של החוקר הישראלי. פנינו ל NSF וקיבלנו הוראות חדשות לגבי הישראלי בהגשות במערכת האמריקאית.
עניין התקציב נשאר כשהיה, וצריך להעלותו לנספחים.

אנו מבקשים שתפעלו לפי ההוראות החדשות שלהלן:

Please do not mark Israeli collaborators as Senior Personnel. Instead, please follow these instructions:

PIs based in Israel should **NOT** be listed as co-PIs on the NSF Cover Sheet. **The PI in Israel should be listed as a "non-NSF funded collaborator."** This listing is for administrative purposes and is not intended to characterize the academic status of Israel-based collaborators on the project or the value of their contribution. Please note there is no field on the cover sheet for this listing. Guidance on information to provide for "non-NSF funded collaborators" is below:

1. Biographical Sketch - **Required**. The biographical information must be clearly identified as "non-NSF funded collaborators" biographical information and uploaded as a single PDF file in the Other Supplementary Documents section of the proposal.
2. Collaborators and Other Affiliations (COA) Information - **Required**. The COA information should be provided using the COA template, identified as "non-NSF funded collaborators" information, and uploaded as a PDF file in the Single Copy Documents section of the proposal.
3. Current and Pending Support - **Not required (but requested)**. *You can compile the Current & Pending support files into a single, consolidated pdf file that includes both your and the Israeli collaborator C&P documents. You can then upload it as one file under yours.*
4. Results from Prior NSF Support - **Not required**.
