Miscellaneous

1. **Membership in professional organizations and professional activity**

1985	License as Clinical Psychologist (Israeli Health Ministry).
1991	Hypnosis License (Israeli Health Ministry).
1994 – 2015	Membership in the American Psychological Association (APA).
1990-1997	Affiliated Researcher, Oranim Center for the Research of Kibbutz Education.
1999 – 2014	Membership in the International Society of Political Psychology (ISPP).
2001 – 2013	Affiliated Researcher, the Institute for Counterterrorism (ICT), Inter-Disciplinary Institute (IDC), Herzliya.
2003 – 2014	Membership in the International Political Science Association (IPSA).
2003 – 2006	Member of the Psycho-Politics Research Committee branch of the International Society of Political Psychology (IPSA).
2002-2004	Development of computer program aiding qualitative analysis: "Navigator for Content Analysis." In cooperation with the computer center team at Tel-Hai College.

2010 - 2013	Member of a multidisciplinary, multi-institutional partnership that has developed an assessment tool for community resilience (Conjoint Community Resiliency Assessment Collaboration- CCRAC)
2011	Member of the Israeli Association for Studying Society and Military in Israel.

Colloquium talks and other invited addresses (last five years)

Tbilisi, Georgia. July 2018	Signing the memorandum of understanding: Official establishment of The Center for National Resilience (CNR).
Tbilisi, Georgia. October 22-23, 2018.	Stress and Resilience Workshop. Two-day seminar for civil service personnel.
Hochschule Osnabruck, Germany, October 15-21, 2019.	Week seminar: Stress and Resilience (Academic course of two credit points).

Media Appearances

In recent years, I have been invited to the Israeli media (T.V. and radio) many times. For example, between 2023 and December 2025, I appeared 23 times in various media. The issue in most interviews was resilience following the Gaza war with Hamas.
